

# City of Renton

## Shoreline Master Program Update

### Project Update

The City staff reviewed all of the comments received on the draft Shoreline Inventory and Characterization (and supporting technical memos) and plans to issue the final document this summer. This summer, the Planning Commission will review proposed Shoreline Master Program policies and regulations.

### Project Timeline

- Establish Public Participation Plan- *completed April 2008*
- Conduct Shoreline Inventory and Analysis- *completed October 2008*
- Review Shoreline Inventory and Assess Options- *completed February 2009*
- Review Shoreline Policies- *begun February 2009*
- Review Shoreline Regulations- *to begin June 2009*
- Final Shoreline Master Program Adoption- *end of 2009*

### Special Opportunity

A special workshop on Greening your Shorelines is being held on June 23 at Mercer Island City Hall. This workshop is **free**. Please see the enclosed flyer for details.

### Comments

Comments and questions are accepted throughout the Shoreline Master Program update. Written comments may be sent to the project manager by post or email. Verbal and written comments are accepted at every Planning Commission workshop.

### Upcoming Meetings

The following Planning Commission workshops take place at 6:00 p.m. in the Council Chambers of City Hall.

**June 24, 2009**- Special Presentation on the Shoreline Permitting Process: an Applicant's Perspective by Dave Douglas of the company Water front Construction.

**July 22, 2009**- Planning Commission workshop on SMP policies and regulations.

**August 12, 2009**- Planning Commission workshop on SMP policies and regulations.
